A Step Ahead Childcare has the brand new flexible daycare plans you need right now.

Whether you need full time weekly childcare or help for a few days a week for your pre-K to get your work meetings in while you work from home, summer and holiday school breaks to keep your elementary age child ahead of the curve, or a single day so you can run errands- we've got you covered. Just like our world has changed, we understand so has your family's needs. That is why we created a program that works with you and your child to give you both tools you need to succeed.

1.) Guaranteed Child Care:

This is the best value for families who need 4+ days of care each and every week. You have a guaranteed spot for your child(ren) every day each week and offers the lowest cost per day and no additional monthly charges..

2.) Premium Reservation Child Care:

This is the best value for families who have variable needs of 1, 2 or 3 days a week, 12+days a month, and still need reliable childcare each and every week. This Premium Reservation option allows you to sign up your child(ren) on the 15th of each month for days you need the following month. Each day of care is \$55 per day. This option allows you the flexibility to move your days each week with the reliability of reserving spots the month before. This is great for those who work 2 or 3 days a week and have set schedules.

Here's how it works:

You enroll in our Premium Reservation package for \$89.99 / month (per family) that is auto-billed the first business day of each month. On the 15th of each month, you will receive a reservation notice to your email where you can reserve days for the following month. Once the following month comes, you will be auto-billed for the days you reserved for that week.

3.) Standard Reservation Child Care:

This is the best value for families who have random needs of 1 or 2 days a week, 1-10 days a month, and can be flexible on the days they need each week. Our Standard Reservation option allows you to sign up your child(ren) on Monday of each week for days you need the following week. Each day of care is \$55 per day. While this may not provide reliable days for care, this option allows you the value of our lowest total cost if you have flexibility in your child care needs each week. This is great for those who are self employed or want the ability to run errands or have meetings one day a week.

Here's how it works:

You enroll in our Standard Reservation package for \$39.99 / month (per family) that is auto-billed the first business day of each month. On Monday of each week, you will receive a reservation notice to your email where you can reserve days for the following week. Once the following Monday comes, you will be auto-billed for the days you reserved for that week. Each day of care is \$55 per day.
